ILLUMYNA SCALP

The new Illumyna Scalp line takes care of scalp and hair through products with formulas containing **up to 95% ingredients of natural* origin** and plant extracts and **up to 98% biodegradability***.

Thanks to advanced technologies it offers a proposal for the scalp capable of ensuring **high performance**, in full respect of the **well-being of the person and the land** that hosts us.

***NATURALITY:** based on ISO 16128

BIODEGRADABILITY: based on OECD 301

HEALTHY AND STRONG HAIR

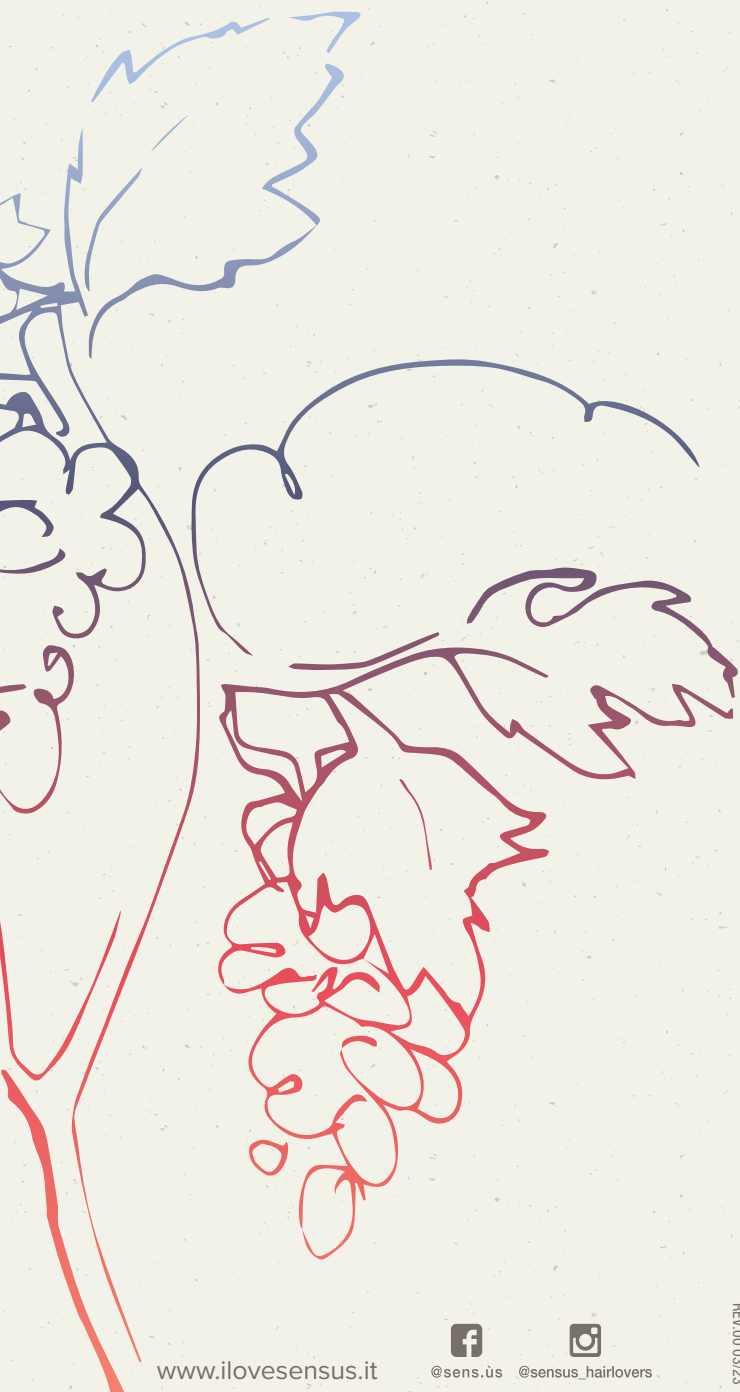

starting from the scalp

Illumyna Scalp comes from a wonderful land, Tuscany, which with its fruits gives life to a line created and designed for the well-being of our scalp.

It is from a healthy scalp that you have healthy and strong lengths, and it is from high quality products that we have the well-being of our hair.

A line that comes from an extraordinary fruit, grapes, capable of counteracting free radicals thanks to its powerful natural qualities contained in it
